

The American University in Cairo  
School of Sciences and Engineering

“On-Chip nanoscale plasmonic optical modulators”

A Thesis Submitted by

**Abdelrahman Mohamed Nader**

To the

Physics Graduate Program

February 1<sup>st</sup>, 2021

In partial fulfillment of the requirements for the degree of

**Master of Science in Physics**

Has been approved by

**Dr. Mohamed Swillam (Advisor)**

Professor

Department of Physics

American University in Cairo

**Dr. Mohamed Orabi (Internal examiner)**

Assistant Professor

Department of Physics

American University in Cairo

**Dr. Salah El-Sheikh (External examiner)**

Professor

Department of Engineering Physics

Cairo University

**Salah M. El Sheikh**

**Dr. Ahmed Hamed (Moderator)**

Assistant professor

Department of Physics

American University in Cairo

Graduate Program Director

**02/02/21**
