IRB Preliminary Approval or Waiver for Graduate Thesis

Before you start your research

All research involving living human beings or bodily tissue samples requires advance approval from AUC's Institutional Review Board (IRB). Each student's thesis advisor is responsible for ensuring that this form is filled in accurately. The IRB approval or waiver form should be signed once your thesis proposal has been approved by the department. It is very important to submit this form before starting data collection for your research. This could take place prior to or while being completed in any of the following: 390, 391, 398, 399 on the MA level or 601, 602 on the PhD level.
